WONDERMENT.
You drive into a maple tree
A little wooden tap.
You put a pail below, and see
A flow of maple sap.

And that is just what puzzles me.

And get sweet cider out?

VOTING IN A BUCKET.

Unique Way of Electing Chief of Po-
lice at Catlettsburg.

The Democratic election authorities at Cat-
lettsburg have evolved a novel plan for choos-
ing a Chief of Police for that city.

On Saturday, May 30th, between 4 a. m. and
10 p. m., a canvass will be held, the early be-
ginning and the late ending giving every reason-
able opportunity for a full vote.

Each candidate will be allowed to select a
man from each Ward in said city to canvass
said Ward and to receive from each Demo-
cratic voter one ballot to be then and there
voted and at once deposited by the said voter
in a bucket with a covered top for the candi-
date of his choice.

All Democratic voters and those that will be
entitled to vote in the November election, 1903,
shall have the right to vote in said canvass—
and bucket.

Too Great a Risk.

In almost every neighborhood some one has died
from an attack of cholera or cholera morbus, often
before medicine could be procured or a physician
summoned. A reliable remedy for these diseases
should be kept at hand. The risk is too great for
any one to take. Chamberlain's Colic, Cholera
and Diarrhoea Remedy has undoubtedly saved the
lives of more people and relieved more pain and
suffering than any other medicine in use. It can
always be depended upon. For sale by J. Jas.
Wood & Son, Druggists.

Cartmell extracts teeth without pain.

The Haymakers Band will go to Paris Wed-
nesday to help in the Street Fair.

Harrison County will vote on issuing \$25,-
000 worth of bonds to repair pikes.

There are at present seven Banks in Mason
county—four in Maysville, one at Dover, one
at Mayslick and one at Sardis.

C. and O. train near Ashland Friday and was
so badly injured he died shortly after.

A large class of boys and girls received
their first Holy Communion at the 8 o'clock
Mass at St. Patrick's Church yesterday morn-
ing.

Some one desiring to do a large paying
business can do so by renting storeroom now
occupied by myself in Washington. Write or
call for particulars. G. M. ALLEN.

Mrs. C. D. Russell has been ill the past week
at her home near Northfork.

open up in this city in the building now oc-
cupied by Clooney & Perrine, Jewelers, with a com-
plete line of Shoes for Men, Women and Chil-
dren. They respectfully solicit your patronage.

That's What They All Say!

Said a gentleman who bought one of our Wool Crash Coat and Pants yester-
day, "I did not expect to find as perfect fitting garment ready made as these."
Upon telling him the price of the suit he inquired if the material was all
wool. It was quite difficult to make him believe it was on account of the low
price we sell them for.

No house in the state shows as elegant line of Crashes as we do. We
want you to see them.

The weather is getting right for our Soft, Comfort-Giving Shirt. Try
our "Faultless." You commit a fault if you don't. It's the best dollar shirt
in the world. Were there a better we would not have these.

The Best for Our Patrons
is Our Sole Aim.

Our Clothing Department is becoming jealous of our Shoe Department.
We put shoes in our store for a side issue. We wanted Maysville to have the
reputation of selling as good shoes as she sells clothing. Like our Clothing,
we bought the "Best." Consequently, we are running away with the "Good
Shoe Trade" of the county and city. Our Douglas \$3 and \$3.50 Shoes are
warranted to give satisfaction or the money back. No risk in buying Shoes here.

THE HOME STORE. D. HECHINGER & CO.

Put On Your Thinking Cap!

Take up the question of P. N. Corsets. Do you think they could have attained such enormous success if they had not possessed
every merit claimed for them? Do you think thousands of women would wear them if there was a better dollar corset in the market? Do
you think the sales of P. N. Corsets would have grown so wonderfully and rapidly, if women were not so enthusiastic about them, buying
them repeatedly and urging their friends to do so? Do you think dozens of P. N. Corsets could be sold by us every week, if anything
could be said against them? They are unequalled for all figures, as we have models to suit the stout, the plump, the slender, the lean. We
have corsets for more than a dollar and less than a dollar but one dollar marks the popular price in this locality and the P. N. leads the van.

For Immature Figures!

Have you tried a tape girdle? They emphasize curves that are and make them where they are not. 50c, 75c, \$1.
Broad silk corset laces, four yards long, 25c. Women acquainted with the comfort and wearing qualities of silk laces will use no
other.

Mr. Joseph Pominville of Stillwater, Minn.,
after having spent over \$2,000 with the best doc-
tors for stomach trouble without relief, was ad-
vised by his druggist, Mr. Alex. Richard, to try a
box of Chamberlain's Stomach and Liver Tablets.
He did so, and is a well man today. If troubled
with indigestion, bad taste in the mouth, lack of
appetite or constipation give these Tablets a trial
and you are certain to be more than pleased with
the result. For sale at 25¢ per box by J. Jas.

MISTAKES....

Of other people are danger signals to the
wise. Every time a mistake is made some-
body learns something. In shoe buying it
is important to know about your purchase
---that your money is getting for you its
full measure of quality.

You make a big mistake when you buy "real
cheap" things---shoes in particular. As a
rule, the less you pay the more it costs in
the long run.

Observe, please, that we do not boast of "cheap"
prices, and still, quality considered, we sell
dependable footwear at figures that ought
to interest careful buyers.

It's up to Governor BECKHAM to say whether his henchmen in Breathitt county shall continue their murderous work, or whether they shall give way to officers who will enforce the law.

With the Hon. AUGUSTUS E. WILLSON of Louisville as the candidate for Governor, and the BRADLEY and the HUNTER forces pulling together, the Republicans can carry Kentucky like HARPER ran his horses. Now, let's quit fighting the enemy our friends, and turn the guns on our friends the enemy.

THE motion for a writ of prohibition requiring Judge CANTRILL to vacate the Bench in the Caleb Powers case will be made before the Court of Appeals tomorrow by the Commonwealth. It is believed at Frankfort that Circuit Judge BENTON of Winchester will be asked to try the case in the event Judge CANTRILL is required to vacate.

A FEW days ago a couple of Breathitt countyans swooped down on Lexington to see the Government Building, the Courthouse, The Leader's new Printery, Colonel SAM ROBERTS and other notable features of the Bluegrass Capital. Incidentally, of course, they took a few whirls at the jug when it was redheaded, and on their return to Jackson by way of Winchester, they probably added to the Lexington product some of Bro. PERRY's kind. At all events the booze began to work at this point, and the gun-mounted gentlemen from Jackson had fun as long as their ammunition lasted and there was any glass left in the car windows. They were finally arrested and lodged in Jail at Stanton.

"CURT." JETT, arrested for the assassination of Attorney JAMES B. MARCUM, and who has been in Jail in Winchester, is quite anxious to be turned over to the "proper" authorities of Breathitt county, which means County Judge HARGIS and Circuit Judge REDWINE, the latter of stinking memory. "CURT." knows his "friends," and he knows a trial before either of these official worthies will mean his prompt liberation and a license to continue the assassination business.

JUDGE BENTON of Clark county appears to be a man of considerable anagosity. He deliberately "blocked the game" of Breathitt county's official murderers, or murderous officials, as the case may be. When "CURT." JETT, the accused assassin of Attorney J. B. MARCUM, was arrested in Madison county he was taken to the Clark County Jail. Then his lawyers came down from Jackson, fixed up habeas corpus papers, and wanted him at once turned over to the Breathitt county officials. The plain reason for this was that these officers, who are up to their eyes in blood, would have turned him loose at once. But Judge BENTON said Nay. And "CURT." is still in Jail at Winchester. If he is taken back to Jackson at all, it will be only for the purpose of getting a change of venue, that he may be tried in another county. Hair-splitting lawyers argue the illegality of Judge BENTON's procedure; but there has already been too much harping on "illegality." What is wanted is a good deal less "lawyer talk," and a good deal more hanging.

Political Pickings

BILLY WON'T LEARN.

Philadelphia Public Ledger.

Mr. Bryan, Populist and ex-Presidential candidate for two runnings, dies with uncommonly little grace. He seems not to know what a hopeless case his own is, and how all the King's horses and all the King's men will fail to set him up again on a pinnacle in the public estimation. His latest fling is directed at Mr. Cleveland, whose recrudescence in the favor of his party is viewed with jealousy by the Nebraskan commoner. It was not Mr. Cleveland who defeated Mr. Bryan for the Presidency when he twice offered himself for that office, but the American people.

Dr. Dupree has found from investigations made in Louisiana that the eggs of mosquitoes are often hatched months after they are laid, especially if deposited in ponds which subsequently dry up. He concludes that the extermination of mosquitoes by oil or by otherwise treating ponds during March and April is useless, as the hatching is going on all the time.

The electrical fan is increasing in popularity as a purveyor of comfort, both at home and in the equatorial regions, so that the American output for the coming summer is estimated by Electrical World at 150,000. Not only does it serve to mitigate the heat of summer, but in a great many instances it answers the purpose of sanitation and ventilation so economically and efficiently that few other appliances can compare with it.

ASK YOUR NEIGHBOR.

Hundreds of Maysville Citizens Can Tell You All About It.

Home indorsement, the public expression of Maysville people, should be evidence beyond dispute for every Maysville reader. Surely the experience of friends and neighbors, cheerfully given by them, will carry more weight than the utterance of strangers residing in far-away places. Read the following.

Mr. C. L. Hubbard, dairyman of 325 West Third street, says:

"I have the greatest faith in Doan's Kidney Pills. The use of less than one box ended a disturbed condition of the kidneys and an inflammation of the bladder. After some time it returned but in a lesser degree and I procured another box of Doan's Kidney Pills at J. James Wood & Son's Drug-store. Use of it substantiated the opinions I had already formed of this effective preparation."

AN EMPHATIC ANSWER

To all of that "Tommy Rot" that the Trust men have been feeding you! They were only "Guying" you! They are paid to sell you Trust machines at a big price! They have to offer some excuse for trying to sell you a light-weight, cheaply-constructed and inferior Binder at an advanced price! They dare not admit the truth! If they did no one would buy a Trust machine. So they all tell you that a Minnie Binder is "no good," while we tell you it is the best one on earth. **READ THIS STATEMENT AND DECIDE FOR YOURSELF WHO HAS LIED!** Some one is guilty!

FEESBURG, OHIO, April 21, 1903.

This is to certify that I have owned and successfully run for seventeen years a Minneapolis binder which has at any and all times given me complete and absolute satisfaction. This binder that I own—seventeen years old—is a matter of neighborhood gossip. The entire neighborhood knows just what this binder has done, as during that time I have continually cut wheat for my neighbors. This binder has been all over the neighborhood in the past seventeen years; has cut any and all kinds of grain, over any and all kinds of land, and is absolutely nonchokable. The same canvasses that were on the machine when I bought it are there yet, and I challenge any other binder to show a record of as many acres cut as this machine has cut, seventeen years old. I have practically spent no money for repairs upon this machine all during this time. Other binder companies knowing the age of this machine have all sent their salesmen to sell me a binder of some other make. To each and all of these agents I have made one, and only one reply, you could not give me anything but a Minneapolis binder. If anyone doubts the assertions made in this statement, they have only to ask any farmer in our neighborhood. There are some young farmers living in our neighborhood who remember distinctly that this binder cut their father's harvest before them. I wish to say to my brother-farmers that if they ever own a Minneapolis, they will own an Acme of perfection in binder building.

My address is Feesburg where I can be found at any and all times and I solicit communication in person or by mail by man, woman or child who is interested in this matter.

Very respectfully,

LOUIS LOVE.

Gentlemen of Mason county: Mr. Love's old Binder is here in front of our store upon exhibition. Mr. Love only lives fifteen miles from Maysville. You can call upon him and his neighbors and see what this old Minnie has done. This old machine is guaranteed to yet cut 100 acres of grain. Come and look at this old warhorse; see the excellent condition it is yet in! Look at the gear and cog wheels and learn for yourself the excellent grade of material which goes into the construction of a Minnie Binder.

BE A MAN OR A MOUSE!

Take your stand now either for the great Binder Trust or for John I. Winter, The Price Fighter. Remember always that there is not a Trust article in our stores.

Samples of these ranges are on exhibition at Langefels & Co.'s plumbing establishment on Market street. Letters from Women

Cured by the use of Kodol are received daily. Their troubles nearly all begin with indigestion or other stomach disorder.

If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. The system is deprived of the amount of nourishment required to keep up the strength, and the result is that one of more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.

Kodol Cures

This famous remedy puts the stomach and digestive organs in a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the entire body, and by Nature's law of health, full strength and vigor is soon restored to each. Kodol cures indigestion, dyspepsia and all stomach disorders.

I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pains I endured. After a time I would take it but once a day, and now, while I keep a bottle handy I seldom need it, as it has cured me. Mrs. J. W. COOLBAUGH, Milo Center, N. Y.

The Danish democracy is a fact. In Copenhagen lately the new Government bill creating elective parish councils for Church matters was found to exclude servants from the franchise. Immediately the servant girls federated themselves and, with the aid of the Social Democrats, compelled the Law Committee of the Folkething to drop the disfranchising clause.

Dan Richardson, at one time popular second baseman in the New York team, is now partner in a big department store in Elmira, N. Y., and eminently prosperous. The head of the firm is Mr. Sheehan, Mayor of the town. The usual fate of the professional sportsman is to drift into more or less precarious forms of earning a livelihood, but Dan's future rests on a solid foundation.

The bolometer, an electric device for the measurement of heat of exceedingly feeble intensity, is so delicate in construction that it can detect the one-millionth part of a degree, measure the heat radiated by a man's face at a distance of a foot or more and register almost imperceptible amounts of heat sent to our earth by the sun.

The excavations at Nippur revealed not only the oldest sanctuary, library and school that are known to the present time, but also the most ancient archeological museum. In an upper stratum of the library mound the first museum known to history was unearthed. The collector lived about the time of Belshazzar and the specimens were antiquities then.

MEMORIAL DAY.

D. W. McClung of Cincinnati to Be the Orator in Maysville.

A movement is on foot in this city to have a more general observance of Decoration Day on Saturday, May 30th, than has hitherto been known here.

As it is perfectly proper in the premises, the old soldiers have taken the initiative and have invited the entire citizenship to join with them in making this a memorable occasion.

Members of the various Fraternal Orders are invited to participate in the decoration of the graves of their departed brethren, and it is hoped that there will be a generous response to the invitation.

Colonel D. W. McClung, one of the most scholarly men in the Ohio Valley, will deliver the address at Dieterich's Park at 2:30 o'clock p. m.

The Redmen's Band has been engaged for the exercises and there will be splendid vocal music as well.

SHOT SEED

From Gun to Plant a Mountain.

On the Duke of Athol's estate was a bare, unsightly crag, the rocks of which were inaccessible to climbers. The canisters were loaded with tree seeds and fired from a cannon against the face of the crag, scattering their fruitful contents among the rocky crevices. In the course of years these barren heights were crowned with trees of luxuriant growth. Dr. Burkhart's Vegetable Compound Tablets are seeds of health which are being tried against the rocky ramparts of disease. Rheumatism, Constipation, Catarrh and all diseases of the blood yield to their wonderful curative power. 30 days treatment 35c. All Druggists.

Mr. H. P. Burbage, a student at law in Greenville, S. C., had been troubled for four or five years with a continuous cough, which, he says, "greatly alarmed me, causing me to fear that I was in the first stage of consumption." Mr. Burbage, having seen Chamberlain's Cough Remedy advertised, concluded to try it. Now read what he says of it: "I soon felt a remarkable change, and after using two bottles of the 25¢ size, was permanently cured." Sold by J. Jas. Wood & Son, Druggists.

CLOTHING TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us. But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.
OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours. Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
